

COMMANDER IN CHIEF  
ALLIED FORCES SOUTHERN EUROPE

Dear Mrs. Massett,

Thank you very much for your kind note and offer of assistance on househunting. It does not appear that we are in the market at the moment, but if things change I will certainly turn to W.C. & A.N. Miller, as always.

I was distressed to hear that Mrs. McKinley is ill at the moment, but very pleased with her usual thoughtfulness in remembering us. I would appreciate your passing my and my wife's warm wishes to her for a quick recovery. Will be in touch with you both if anything changes.

Thanks.

Yours,
